

# Sound Machine

200 watt Portable Sound System with  
123-channel Shure wireless

*The reference by which all others are measured.*

- At 32 pounds (35 with options), the SM-5 delivers 200 watts, 127dB SPL and 4-8 hours of operating time.
- Optional CD/MP3 player with USB port, and up to two **SHURE** auto-scan wireless microphones.
- Lithium Iron Phosphate (LFP) battery improve efficiency, reduce overall weight and extend operating time.
- 'Talkover' feature automatically lowers program material when speaking on microphone, ideal for short announcements and multi-media presentations.
- Operates up to a full day on the internal battery, or plug it in for continuous use.
- Best warranty in the industry; 6 years on the system, 3 years on the LFP battery.
