Sound Projections
Six Year Limited Warranty

Sound Projections brand products purchased after January 1, 2006 are warranted to be free of defects in materials and workmanship for a period of 6 years from the date of original purchase, subject to the following conditions:

- * This warranty excludes defects caused by normal wear, abuse, shipping damage, or failure to use product in accordance with instructions. All warranty service must be performed or authorized by Sound Projections. Any service, modifications, or disassembly performed without authorization from Sound Projections may void this warranty.
- * The product must have been purchased through an authorized Sound Projections Dealer, or through Authorized Distributor.
- * The LFP rechargeable battery in SM-5, and VM-2 models purchase before 12/31/17 are warranted for a period of 3 years.
- * The LFP rechargeable battery in SM-5, and VM-2 models purchase after 1/1/18 are warranted for a period of 5 years.
- * The sealed lead acid battery in FR-4 model is warranted for a period of 2 years.
- * Wireless microphone and CD/MP3 player options are warranted for a period of 2 years.
- * All accessories are warranted for a period of 2 years.
- * Prior to returning your unit for repair and / or warranty service, please contact our customer service department at the address below for a return authorization (RA) number.
- * For warranty repair - complete systems must be returned to Sound Projections. Subassemblies will be repaired and returned at normal service rate.

Warranty for Repairs done by Sound Projections

- * CD/MP3 and USB players, wireless systems, and lead acid battery are warranted for a period of 6 months.
