Allen Band Booster Association

Recently the Directors have been having problems with the speakers they use to communicate with the kids at games, practices, and competitions. The speaker frequencies that they were using conflicted with the stadiums we visited and our own stadium which made communication difficult and sometimes impossible. Thanks to fundraising efforts, ABBA was able to spend \$12,000 to purchase 4 new speakers for the Escadrille. This is just another example of how your donations and support helps our organization and kids.
